PROFESSIONAL MOVERS IN DALLAS, TX

Looking for a professional Dallas moving company? Whether you're planning to move across the Dallas metroplex, across the country, or internationally, moving can be a very stressful event. North Dallas Moving and Storage (NDMS) has the best team of local movers in Dallas to reduce that stress. Since 1966, our professional movers in Dallas TX have focused on providing superior service that has made us one of United Van Lines most respected moving companies in the Dallas area.

Best Moving Company in Dallas

Our certified staff of Dallas expert movers, packers, loaders, and van operators are capable of handling virtually any move with excellence. Our skilled customer service representatives paired with our advanced satellite shipment tracking system can guide you through the moving process while keeping you informed every step of the way. North Dallas Moving and Storage pays close attention to every detail, and provides a professional and knowledgeable team of staff members to make every move a pleasant and stress-free experience.

SERVICES

At North Dallas Moving & Storage, we offer our clients the best moving services in the Dallas and Fort Worth areas. Whether you need help packing, storing, or moving specialty items on a large scale, you can trust NDMS to help get the job done right the first time.

RESIDENTIAL MOVING

Moving a few blocks can be as stressful as moving a thousand miles long distance. As one of the premier residential moving agents for United Van Lines, our trained relocation professionals can remove a lot of that stress by providing high quality service for your move.

LEARN MORE

OFFICE & COMMERCIAL MOVING

Relocating is one of the most logistically challenging processes your company may ever have to face. It's important that you work with office movers in Dallas that have the experience, processes, equipment, technology, and personnel to get the job done affordably and efficiently.

LEARN MORE

LONG-DISTANCE MOVING

A long distance move require a substantial amount of planning, work, and organizing to get all the details just right. When you partner with us, our experienced movers are here to help you plan, prepare, pack, and relocate all of your belongings while you enjoy a stress-free moving experience!

LEARN MORE

STORAGE

When moving, storage becomes an important consideration for many people. If you're moving and secure storage is required, we can combine our storage and relocation services for greater savings. As a full-service moving and storage solutions provider, we can help you make the arrangements that best fit.

LEARN MORE

PACKING

We offer a full range of packing services from the complete packing of all the items in your home, to partial packing services. Our packers and movers in Dallas can give quotes on small jobs, such as packing a single cabinet of china or large projects, like packing entire households and businesses.

WHY CHOOSE US

There are many factors that set North Dallas Moving apart from the competition. By sticking to these four core values we have been able to continuously deliver a service that our customers love.

Transparent Pricing

Conducting a home visit before we write up a quote allows us to give an upfront price, along with no hidden fees. You'll know exactly what you'll be paying for the job.

Quality Service & Supervision

All of our professional drivers own their own truck and manage their team of movers on moving day to make sure everything runs smoothly and safely.

Background Checked

Our employees are background checked, put through special training, and personally hand picked by each driver to help on moving days.

Licensed & Insured

As a licensed and insured business, we can guarantee the responsible handling of your belongings and give you peace of mind.

TESTIMONIALS

These people don't disappoint. Class act from the sales person, to the office manager and the driver. I can't thank them enough!
